Small Groups Forming

Have you ever thought about being part of a small, home group Bible study? Small groups were promoted and attended by John Wesley and are a great way to connect with God and connect with one another. No one walks the discipleship pathway alone. Being a follower of Jesus means being in community with other followers of Jesus. Jesus demonstrated life in community by calling 12 ordinary men to become his disciples. If you would like to learn more about hosting a small group, please see Pastor Marcia.

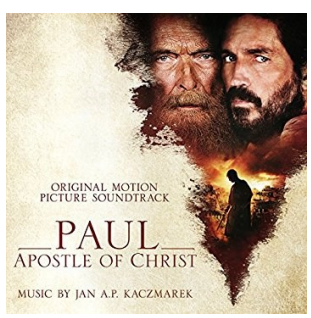

Thank you for your warm thoughts and prayers over the passing of my mother. The outpouring of cards, prayers, visits and flowers were certainly appreciated. The love of our church family makes such a loss just a little bit easier to bear.

Help Wanted....

We are currently seeking an individual to work in the nursery on Sunday. Hours are 9:15am-11:45am and 6pm-7pm. A background check is required. If you know an individual who loves to work with children through age 4, please ask them to see Marcia or Pat Cotherman.

Career Café
Inviting Students

Our Career Café at Gore High School will be starting back up soon. If you'd like to present to the junior high and high school students about a career, please step forward! If you'd like more information on this wonderful outreach ministry, or would like to help with pizza and drinks, please visit with Pastor Marcia.

The ladies are invited each Tuesday at 2:30 for mid-week Bible study. This is a great way to get that mid-week "pick me up" that we all need and an opportunity to come together in a relaxed atmosphere as we dig deep into the scriptures. Be sure to invite a friend to join you.
